- [] Defense requested that this be on the 25X1 agenda. They apparently wish to discuss the status of the program in light of Boland's response to your joint report back to the Hill on its conference report. IC Staff is preparing a status report for you.
- Cuba--Central America. You (DCI) said that you wish to discuss some preliminary thoughts with Carlucci on the NSC review of our Cuban policy. Included also are the talking points from Dewey on El Salvador and Nicaragua which you requested.

2. There are a couple of other items which you may wish to get into, time permitting.

[] 25X1

- PRC--Hong Kong, US and USSR. Given Weinberger's interest today in Brezhnev's speech to senior military officers during which he touched on the China issue, you may wish to comment on recent information we have received regarding the PRC's designs on Hong Kong and its attitude toward relations with the US.
